The U.S. Postal Service Is Everywhere
So You Can Be Anywhere®

Cover Story

A U.S. Passport is Your Ticket to Global Adventure

The U.S. Department of State issues U.S. passports to traveling Americans. Passports are requests to foreign governments to permit you to travel, and they also allow you to re-enter the United States.

A passport book or card is proof of identity and U.S. citizenship. U.S. citizens can use each as follows:

- The passport book for all international travel by air, land, or sea.
- The passport card to enter the United States from Canada, Mexico, the Caribbean, and Bermuda, and at land border crossings or sea ports-of-entry. U.S. citizens cannot use the passport card for international air travel. The wallet-size passport card is convenient and less expensive than the passport book.

Whether you plan to apply for a first-time passport book, passport card, or both; submitting your passport application is easy. The United States Postal Service® makes it convenient to apply for a passport with the Retail Customer Appointment Scheduler (RCAS) tool. Customers can self-schedule a first-time passport application appointment through a variety of options:

- Online or on a mobile device at usps.com/scheduler.
- At 2,700 Self-Service Kiosks (SSKs).
- At the retail counter of more than 17,000 select Post Offices.

The RCAS tool guides you through the appointment process in four easy steps:

1. Choose a service.
2. Find available appointments.
3. Select your appointment time.
4. Validate your Identity and confirm your appointment.

The RCAS tool will display available appointment times for participating Post Office® locations that offer passport appointment services within the selected radius. Users will

receive notifications of their scheduled appointment via email or text.

If you are eligible to renew your passport, you do not need to make an appointment for the renewal. Simply take your documents and payment to the nearest Post Office and mail everything to the U.S. Department of State using Priority Mail® or Priority Mail Express® service. Eligible U.S. citizens who want routine service can renew online at travel.state.gov/content/travel/en/passports/have-passport/renew-online.html.

For best results, follow these passport and international travel tips:

- Apply for your passport book or card early.
- Check the expiration date of your current passport. U.S. passports are issued to adults for 10 years and children under the age of 16 for 5 years.
- Visit the Department of State website (travel.state.gov/content/travel/en/passports.html) for the following information:
 - Find out how to apply for or renew your passport.
 - Get passport fees and forms.
 - Track your application.
 - Report your passport lost or stolen.
- Enroll in the Smart Traveler Enrollment Program at step.state.gov/step. U.S. citizens and nationals who travel and live abroad can use this free service to register their trip with the nearest U.S. Embassy or Consulate.
- For up-to-date information on when you will get your passport, see processing times at travel.state.gov/content/travel/en/passports/how-apply/processing-times.html.
- If you need your passport quickly, see Get My Passport Fast at travel.state.gov/content/travel/en/passports/get-fast.html.

Manuals

DMM Revision: Domestic Competitive Products Pricing and Mailing Standards Changes

Effective January 19, 2025, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®), in various sections, to reflect changes effective January 19, 2025, to prices and mailing standards for domestic competitive products as established by the Board of Governors of the United States Postal Service.

No product changes are scheduled in January 2025 for the following competitive products:

- Priority Mail Express®.
- Priority Mail®.
- USPS Ground Advantage®.
- Parcel Select®.
- Extra Services.
- Return Services.
- Mailer Services.
- Recipient Services.

Changes effective January 19, 2025, are to the following:

Intelligent Mail Package Barcode Noncompliance Fee

To encompass all compliance qualities included under the Intelligent Mail Package Barcode (IMpb) Noncompliance Fee, the Postal Service is renaming the IMpb Noncompliance Fee the Package-Quality-Noncompliance Fee.

Intelligent Mail Matrix Barcode

The Postal Service is requiring mailers to add a supplemental GS1-DataMatrix (2D) Intelligent Mail matrix barcode (IMmb) to domestic shipping labels to improve customers' package visibility. The IMmb must be placed in the address block to the left of the delivery address.

Optionally, a mailer may place a second IMmb in the lower right corner of the shipping label. The Postal Service recommends using the second IMmb on all labels.

Mailers adding the IMmb barcode on their packages allows the Postal Service a greater opportunity for the package to be scanned, providing customers with better visibility of their packages.

The Postal Service will also update Publication 52, *Hazardous, Restricted, and Perishable Matter*, for consistency in barcode application.

Live-Animal and Perishable Handling Fee

The Postal Service is implementing a Live-Animal and Perishable Handling Fee. Mailers shipping and entering any type of live animal or perishable food (e.g., fruit, meat), into the Postal Service mail network at retail and commercial Priority Mail Express, Priority Mail, and USPS Ground Advantage prices will be assessed this fee. The Live-Animal and Perishable Handling Fee is nonrefundable once the mail item enters the Postal Service network. The Live-Animal and Perishable Handling Fee is charged in addition to the Live-Animal Transportation Fee, when applicable, specified in the Notice 123 — *Price List*.

The Postal Service will also update Publication 52, *Hazardous, Restricted, and Perishable Matter*, to provide detailed information on the fee requirement.

Hazardous-Materials Shipping-Label Markings

The Postal Service is revising its current requirement to include the hazardous-materials icon ("H") instead of the service icon on a shipping-address label when mailing eligible hazardous materials. Items containing mailable hazardous materials addressed to an Army Post Office (APO), Fleet Post Office (FPO), or Diplomatic Post Office (DPO), the U.S. territories and possessions, and the Freely Associated States, are excluded from the requirement to include the hazardous-materials icon instead of the service icon on a shipping-address label.

Overweight- and Oversize-Item Fee

The Postal Service is increasing the overweight- and oversize-item fee to \$200.00, to continue to deter nonmailable volumes from being entered into the Postal Service network.

Resources

The Postal Service provides additional resources to help customers with this price change for competitive products. These tools include price lists, downloadable price files, and *Federal Register* Notices, which are available on the Postal Explorer® website at pe.usps.com.

The Postal Service will incorporate these revisions into the next update of the online DMM, which is available on Postal Explorer at pe.usps.com. An article with full details on these revisions to be incorporated into the DMM will be published as soon as possible on Postal Explorer.

DMM Revision: Labeling Lists Updates

Effective April 7, 2025, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®), in various sections, to reflect the Postal Service eliminating three labeling lists (L003, L011, and L801) and redirecting those mail sortations to labeling list L002, L005, or L009, as applicable, to commence the first phase of moving to shape-based-mail labeling lists.

Shape-based mail and package processing is a fundamental premise of the Plant/Transportation Network Redesign underway supporting the Postal Service's 10-year Delivering for America plan. Deficiencies in the current labeling-list framework offer the opportunity to align external (commercial) mail preparation and Postal Service entry, and internal processing steps, with a new shape-based-mail approach to labeling lists.

In various sections, the DMM will continue to reference automated area distribution center (AADC) mail sort for labeling list L005 until a later date. Although the container label created using labeling list L005 will reflect sectional center facility (SCF) mail destination, mailpieces will continue to receive area distribution center (ADC) pricing as per the postage statement, and the SCF pallet discount will apply, when applicable.

The Postal Service will extend mailers a grace period until April 1, 2025, to comply with the labeling-list changes. From April 2, 2025, through May 31, 2025, mailers must request an exception from the Pricing and Classification Service Center (PCSC) to use data from the eliminated labeling lists. Files and data for the eliminated labeling lists will no longer be available after May 31, 2025.

The Postal Service believes that this change, which includes deleting redundant labeling lists, aligning existing labeling lists, and synchronizing commercial-mail preparation and Postal Service entry through opening new USPS processing/entry points, will benefit mailers by creating a more efficient mail-sortation process, with less errors and re-work.

Although the Postal Service will not publish these revisions in the DMM until April 7, 2025, the standards are effective January 19, 2025. An article with full details on these revisions to be incorporated into the DMM will be published as soon as possible on Postal Explorer.®

The Postal Service will publish these revisions in the April 7, 2025, edition of the online DMM, which is available on Postal Explorer at pe.usps.com.

DMM Revision: Low-Cost Items Mailable at Nonprofit USPS Marketing Mail Prices

Effective January 19, 2025, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®), section 703.1.6.11, to reflect a change in the allowed value for low-cost items to be mailable at Nonprofit USPS Marketing Mail® prices.

Under section 703.1.6.11, which is based on statutory restrictions, three types of products or items are mailable at Nonprofit USPS Marketing Mail prices. A *low-cost item* (as defined in the U.S. Internal Revenue Code) is one of those products.

Each year, the Internal Revenue Service determines the allowed value of a low-cost item and adjusts it for cost of living. For 2025, the allowed value of a low-cost item is \$13.60 or less. The value of a low-cost item is the item's cost to the authorized nonprofit organization mailing the item or on whose behalf the item is mailed.

Although the Postal Service will not publish this revision in the DMM until January 19, 2025, the standard is effective January 1, 2025.

Used Battery Disposal Requirements

Most used batteries contain hazardous components and cannot be disposed of in the trash. These batteries are typically regulated as Universal Waste and are subject to strict management requirements. Examples of regulated Universal Waste include spent (i.e., a battery that is used and not reusable) or inoperable batteries from mobile scanners, phones, laptops, and other electronic equipment.

If you are at a USPS® site, you must recycle Universal Waste batteries using services provided by Cleanlites

Recycling, Inc., on eBayPlus (see USA Lamp & Ballast Recycling, Inc., catalog) as follows:

- **Mailback services.** Waste batteries must only be shipped using the appropriate Cleanlites “LampMaster” recycling kits.
- **Direct or on-site pickup services.** Sites with large quantities of Universal Waste batteries must schedule a direct pickup.

Important: Do *NOT* send waste batteries to the Atlanta Mail Recovery Center, Ybor City Processing and Distribution Center (Tampa Logistics and Distribution Center), or the Topeka Material Distribution Center.

USPS employees must determine the battery type and follow the appropriate handling, storage, and disposal procedures (see table):

Used Battery Type	Waste Classification	Recycling Method
Alkaline batteries	Non-hazardous Waste	Recycle through a local recycling center or through Cleanlites' Recycling service on eBayPlus. When recycling is impractical, alkaline batteries can be disposed of in the trash. Note: Alkaline batteries in California must be managed as a <i>Universal Waste</i> and recycled through Cleanlites' Recycling services on eBayPlus.
Small non-alkaline dry cell batteries and small sealed lead-acid batteries	Universal Waste	Recycle through Cleanlites' Recycling service on eBayPlus.
Large lead-acid batteries	Not classified as Universal Waste (or Hazardous Waste), if they are reclaimed/recycled	Arrange pickup of vehicular lead-acid batteries through the facility's vehicle battery supplier and pickup of industrial lead-acid batteries through EnerSys® Inc.

For more information about battery disposal and recycling:

- Review the guidance from *Environmental Compliance Bulletin: Used Batteries* at blue.usps.gov/sustainability/environmental/_pdf/waste/ecb-used-batteries.pdf.

- Visit the Environmental Affairs battery recycling website at blue.usps.gov/sustainability/battery-recycling.htm.

2024 Tax Information: Form W-2 Wage and Tax Statement; Form 1099

General Form W-2 Information

If an employee has earnings from more than one state or locality, a separate Form W-2 will be issued for each.

Form W-2, *Wage and Tax Statement*, for 2024 will be mailed to all employees except those employees who, through the *PostalEASE* “W-2” module, elected not to receive mailed copies of Forms W-2 in favor of official electronic Forms W-2. The *PostalEASE* “W-2” module makes online viewing and printing of Forms W-2 for any of the last 7 years available to all employees.

The format of the 2024 Form W-2 is the same as the 2023 version. To protect sensitive information, the first 5 digits of the Social Security number will be masked on the mailed copy provided to employees. The mailed copy displays a randomly generated 12-digit Control Number in box d. This Control Number has no significance to the IRS and is used by the employer as an aid in processing and tracking. Your W-2 control number may not remain the same year after year.

An employee may be able to take the Earned Income Credit (EIC) for 2024, if qualifying requirements are met; details are printed in the “Notice to Employee” section of the Form W-2. An employee may also qualify for a state EIC credit. Employees should visit applicable state taxing authority websites to determine eligibility.

The Patient Protection and Affordable Care Act created the “Additional Medicare Tax” effective January 1, 2013. All wages and other compensation that are subject to regular Medicare tax in excess of \$200,000 are subject to an additional Medicare tax of 0.9 percent. All Medicare tax withheld is reported in Box 6 of the Form W-2.

The employee’s Earnings Statement (YTD) amounts and the Reconciliation Formula calculation specific to the employee are printed on the employee’s Form W-2 (top left section of the page). Relocation Payments

The passage of the Tax Cuts and Jobs Act (TCJA) of 2017 eliminated the federal exclusion for relocation expenses. As a result, all moving expenses incurred on or

after January 1, 2018, and reimbursed to an employee, or vendor on the employee's behalf, are reportable income and included in Boxes 1, 3, and 5 and considered subject to federal tax withholding.

Most states have conformed to TCJA, and relocation will be included in box 16 (State Wages) and box 18 (Local Wages), if applicable. The States that did not conform to TCJA as of December 2024 and continue to exclude certain relocation from State taxable wages (and Local if applicable) are Arkansas, California, Hawaii, New Jersey, New York, and Pennsylvania.

See the statements issued to you by the Postal Service's Relocation Management Firm (Sterling Lexicon) if you need additional information.

Employee Business Expense (EBE)

Equipment maintenance allowance (EMA), carrier drive-out, vehicle hire, and supervisor vehicle usage are considered employee expenses paid by the U.S. Postal Service. The nontaxable (not the total) EBE amount is reported in Box 12 (letter code "L"). If there is a taxable amount, it is reported in Box 14 (Other). Per the Reconciliation Formula, taxable vehicle (Box 14) is added to gross pay and is included in Box 1 (Wages, tips, other compensation).

Differential payments made to an individual while on active duty for 30 days or less are subject to Social Security and Medicare taxes.

Oregon Statewide Transit Tax

Oregon Statewide Transit Tax (ORSTT) withholding is reported in Box 14 (Other).

State/Territory Reportable Wages

The amount in Box 16 (State wages, tips, etc.) will equal Box 1 (Wages, tips, other compensation) with the following exceptions:

- California does not allow income deferral for Health Savings Accounts (HSAs).

- Arkansas, California, Hawaii, Massachusetts, New Jersey, New York, and Pennsylvania still have exclusions for certain relocation expenses. See section on "Relocation Payments".

Local Reportable Wages

The following statements do not take into account taxable wage limits that exist for certain localities. For those localities, amounts in Box 18 (Local wages, tips, etc.) will not exceed local taxable wage limits.

The amount in Box 18 (Local wages, tips, etc.) will equal gross pay with the following exceptions:

Reminder: International Reply Coupons (Return Dates: January 1 – 31, 2025)

Retail Unit Instructions

All Postal Service Retail Units must submit foreign issued (exchanged) International Reply Coupons (IRCs) accepted through December 31, 2024, to the Kansas City Stamp Fulfillment Service (SFS) as follows:

- Foreign issued IRC (pictured below) with expiration date of **December 31, 2025**, is the only version of IRC that will be accepted by SFS.
- SFS will begin accepting exchanged IRCs starting on **January 1, 2025**. Postal Service Retail Units must submit IRCs on or before **January 31, 2025**.

Expires December 2025

- Redemption rates for all foreign issued exchanged IRCs with an expiration date of December 31, 2025, are based on the **round date stamp** (on the right-hand side of the coupon) and are acceptable for return to the SFS (see table).

Date	Redemption Rate
01/01/2022–07/09/2022	\$1.30
07/10/2022–01/21/2023	\$1.40
01/22/2023–07/08/2023	\$1.45
07/09/2023–12/31/2023	\$1.50
01/24/2024–07/13/2024	\$1.55
07/14/2024–12/31/2024	\$1.65

- **Do not send in any IRCs with an expiration date of December 31, 2021, or earlier to SFS for any reason.**
- Check expiration dates are printed on the back of the IRCs.
- If you have IRCs with an expiration date on or before December 31, 2021, that were not returned as instructed in past *Postal Bulletin* articles, you must remove the IRCs from the unit inventory, destroyed locally (no value), and posted as a shortage (AIC 767) to the unit reserve stock inventory. (RSS units must enter a count in the “Count Inventory and Cash” workflow; select “Close Credit/Transfer to Another

Employee.”) SDA units will use AIC 622 to post the shortage.

- Unit reserve custodians may submit a claim for loss via the eIWS Online Forms (OLF) application following procedures in Handbook F-101, Field Accounting Procedures, sub-chapter 8-7, Claim for Loss. When you receive an approved claim for loss, clear the stamp credit shortage AIC 367 (SDA units will use AIC 222) and offset to AIC 633, Claim for Loss; use Reason Code 10, Uncollectible Employee Items.

Submit IRCs as follows:

- Bind exchanged foreign-issued IRCs in bundles of 100 or less.
- Prepare PS Form 17, *Stamp Requisition/Stamp Return* (May 2007), in triplicate and annotate “IRC Return.”
- Include a shipment number on the PS Form 17 or the shipment will be returned to the originating unit. Include the SFS Destruction finance number (receiving unit location ID).
- Submit the original and one copy of the PS Form 17 enclosed with the stock. File the second copy with supporting documentation locally.
- Use only one PS Form 17 for all your IRCs. You do not need to attach the PS Form 17 to the outside of the return. The office should write “IRC” on the outside of the return package.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

Human Resources

January is Glaucoma Awareness Month

January is Glaucoma Awareness Month. These are the symptoms of glaucoma and how it can affect your vision:

- Glaucoma causes fluid build-up in your eye. The build-up of fluid causes pressure that can damage the optic nerve, which transfers visual images to your brain.
- Glaucoma can cause vision loss and blindness and cannot be reversed.
- Glaucoma often has no early warning signs. There is no pain, discomfort, or blurry vision.

Nearly 3,000,000 Americans have glaucoma. Half of those with glaucoma don't know that they have the disease. This lack of awareness and the absence of symptoms prevents people from getting their eyes examined.

African-Americans over 40, adults over 60, and people with a family history of glaucoma are at greater risk for developing the disease.

Getting a comprehensive dilated eye exam is the only way to find out if you have glaucoma.

During the exam, an eye care professional places drops in your eyes to widen the pupils and looks for signs of the disease in the optic nerve.

Your vision can be saved with early detection and treatment. Talk to your doctor about scheduling a comprehensive dilated eye exam. You can also encourage your friends and loved ones to do the same.

To learn more about glaucoma, go to www.nei.nih.gov/glaucoma.

Information Security

Keep an Eye Out for Online Scams

USPS® employees and contractors need to be aware of online scams, because they can compromise cybersecurity and put the USPS network at risk.

While there are many types of scams people can fall victim to, the cybercriminal typically preys on their intended targets via text messaging or email for financial gain.

Online scams to lookout for are:

- **Phishing.** Attacks through email or text messaging from cybercriminals replicating legitimate companies to steal your personal information.
- **Ransomware.** Blocks you from accessing your computer until you pay the “ransom.”
- **Lottery scams.** Messages you and claims you've won a prize, but you must pay a fee to claim the prize.
- **Bank fraud.** Emails or text messages that look like they are from your bank requesting your personally identifiable information.
- **Gift card scams.** Coerces you to purchase gift cards and then steals the funds on your gift cards.

To avoid these online scams, the CyberSafe team at USPS® recommends following these tips:

- **Slow down.** Be suspicious of urgent messaging and requests to act fast.
- **Verify.** When buying gifts or donating to a charity, verify that the websites are legitimate, identify the mailing address associated with the organization, and confirm the customer service contact information.
- **Don't click on suspicious links.** Don't click on links from unsolicited emails or text messages or enter personal or banking information unless you verify the sender's identity.
- **Report it.** If you fall victim to a scam, immediately contact the Federal Bureau of Investigation's Internet Crime Complaint Center at www.ic3.gov.

For more information on online scams, visit the Monthly Awareness Campaigns page at blue.usps.gov/cyber/comms-2023-archive.htm#accordion1s1 and the CyberSafe page at liteblue.usps.gov/cyber.

UNLEASH THE POWER OF YOUR VISION

Nearly 3,000,000 Americans have glaucoma. Half of those with glaucoma don't know that they have the disease. This lack of awareness and the absence of symptoms prevents people from getting their eyes examined. Your eyes are one of the most powerful tools you have. They allow you to see the beauty in the world, connect with others and discover new possibilities. It's important to take care of your eyes and never take them for granted.

Stamp Announcement 25-6: Star Cluster Stamp

On January 21, 2025, in Big Sky, MT, the United States Postal Service® will issue the \$31.40 *Star Cluster* Priority Mail Express® stamp, in one design, in a pressure-sensitive adhesive (PSA) pane of four stamps (Item 129400). This stamp will go on sale nationwide January 21, 2025, and must not be sold or canceled before the first-day-of-issue.

This new Priority Mail Express® stamp celebrates America's continued exploration of deep space with another remarkable image captured by NASA's James Webb Space Telescope. Hidden within the cloud of celestial dust are tiny, free-floating brown dwarfs — objects too small to be stars but larger than most planets. Studying these brown dwarfs will help scientists explore how star-formation processes operate for very small masses. Art director Greg Breeding designed the stamp with an image provided by NASA (National Aeronautics and Space Administration), ESA (European Space Agency), CSA (Canadian Space Agency), STScI (Space

Telescope Science Institute), Kevin Luhman (Penn State University), and Catarina Alves de Oliveira (ESA).

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may get the postmark in person at the temporary Post Office® station established there. Those who cannot attend the event but who wish to get the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days after the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers who want a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:
