The U.S. Postal Service Is Everywhere
So You Can Be Anywhere®

Cover Story

Buses Roll, Kids Stroll, Safety Is Our Goal

As summer fades and the school year begins, the daily routine for United States Postal Service® employees undergoes a major shift. The quiet morning streets suddenly fill with school buses, parents rushing to drop-off zones, and children walking or biking to class. This seasonal transition brings a significant increase in neighborhood activity and hidden hazards for Postal Service™ employees. Staying alert during this time is not just a personal safety measure; it is a vital community responsibility to protect the youngest residents in the communities we serve.

Situational awareness is your primary defense against the unpredictable nature of back-to-school traffic. Students are often energetic, easily distracted and may be unaware of their surroundings as they walk, chat with friends, or look at their phones. They can dart out from between parked cars or cross the street unexpectedly in the blink of an eye. Drivers must continuously scan the environment, look far ahead down the block, and frequently check all mirrors to anticipate these sudden movements before they turn into accidents.

Paying close attention to your immediate surroundings requires extra caution around designated school zones and bus stops. School buses create unique traffic patterns, and drivers must strictly obey all flashing red lights and extended stop arms without exception. Watch for groups of students gathering at street corners early in the morning

and late in the afternoon. Remember that neighborhoods that were completely empty at 2:00 PM, in July, will now be bustling with activity during those exact same hours in August and September.

Whether you drive a USPS vehicle or your personal vehicle, staying alert and making safe choices protects everyone including yourself. Always expect a child to be riding a scooter or bicycle around a blind corner or backing out of a driveway on a skateboard and give them the right-of-way.

When operating a motor vehicle, backing up and turning around present the highest risk of visibility blind spots. Double-check your mirrors, back up only when absolutely necessary, and keep your speed well below the posted limit in residential areas to allow for maximum reaction time.

Ultimately, back-to-school safety relies on a proactive mindset and an unyielding commitment to defense. By slowing down, eliminating internal distractions, and treating every neighborhood as a high-alert zone, USPS employees can successfully navigate the busiest months of the year. Let's look out for each other and the communities we serve to ensure every child makes it home safely after the final bell rings.

IMM Revision: Customs Declaration Forms

Effective August 6, 2026, the Postal Service™ is revising *Mailing Standards of the United States Postal Service, International Mail Manual (IMM®)*, items 123.712.f and 123.722.e, to remove references to *dangerous goods* as a category of items on the customs declaration form.

Likewise, customers that are authorized to privately print customs forms, in accordance with the specifications outlined in the *Guidelines for Privately Printed Customs Forms* (see PostalPro at postalpro.usps.com/node/2713), are instructed to discontinue the use of *dangerous goods* as a category of items. To provide mailers sufficient time to make necessary software changes, the Postal Service is:

- Providing advance notice, through this *Postal Bulletin* article, that mailers must cease the use of *dangerous goods* as a category of items effective January 17, 2027.
- Encouraging mailers to immediately implement these changes to avoid transportation delays.

This change to the customs declaration form does not alter the mailer's responsibility to properly package, mark, label, and otherwise prepare mailable *dangerous goods* in accordance with the mailing standards found in IMM 135 and Publication 52, *Hazardous, Restricted, and Perishable Mail*, chapter 6.

Environmental Compliance

Required Procedures for Waste Lamps or Bulbs

Waste lamps include inoperable or broken electric lamps (or light bulbs). Waste lamps are a potential safety and environmental concern because they may contain mercury or other toxic heavy metals. Many types of waste lamps are regulated and are subject to strict waste management requirements.

Regulated lamps include spent or inoperable:

- **Fluorescent Lamps:** 4-foot and 8-foot linear, U-shaped, circular, and compact fluorescent (CFL) lamps, including “green-tipped” or “low-mercury” lamps.
- **HID Lamps:** High intensity discharge (HID) lamps are often associated with large interior spaces with high ceilings, such as warehouses, and exterior lighting, such as peripheral security lighting, streetlights, and fuel island lighting. They may also be found in newer motor vehicle headlights, as well as liquid-crystal display (LCD) or digital light processing (DLP) projection television sets or projection displays.
- **LED Lamps:** Light-emitting diode (LED) lamps may contain federally regulated metals such as lead, chromium, and/or selenium. LED lamps are now available in 4-foot and 8-foot linear tube sizes. Note that multiple, individual LED bulbs are typically contained in an LED lamp.
- **Ultraviolet Lamps:** Ultraviolet (UV) lamps emit high intensity UV light. Small UV lamps may be present in USPS® mail sorting automation platforms, such as the Advanced Facer Canceler System. UV lamps may also be used in “disinfection” and “germicidal” lighting systems.

The following procedures are required for USPS sites to ensure compliance with environmental regulations:

- Store regulated waste lamps in closed containers that are properly labeled (i.e., “Waste Lamps” or “Used Lamps”).
- Send regulated waste lamps offsite for recycling within 1 year of the start of accumulation.
- Recycle regulated waste lamps using one of the following services provided by Cleanlites Recycling, Inc. on eBay+ (see USA Lamp & Ballast Recycling, Inc. catalog):
 - **Mailback services:** Use the appropriate Cleanlites “LampMaster” recycling kit based on lamp type.

Fiscal Year 2026 Closing Guidance: Message from the Vice President, Controller

We appreciate your ongoing diligence in managing expenditures throughout Fiscal Year (FY) 2026, as well as providing the timely financial updates necessary to maintain complete and accurate financial statements. As we approach the end of the fiscal year, it is imperative that this systematic oversight be sustained through the strict monitoring of discretionary activities. Consistent with the May 26, 2026, internal memorandum, "Immediate Restrictions on Non-Essential Spending," issued by Postmaster General David Steiner, all departments must adhere to the mandated restrictions on non-essential spending to protect core operations and manage available resources responsibly. This directive does not require the cessation of necessary business operations; rather, it calls for prudent decision-making to defer or eliminate noncritical activities, such

as discretionary travel, professional services, and bulk supply orders beyond near-term needs. Furthermore, the procurement of goods and services must be planned and distributed consistently throughout the fiscal year, rather than concentrated at year-end solely to utilize remaining budgetary allocations.

Please instruct all external contractors to submit invoices promptly upon receipt of goods or completion of services. If a contractor anticipates any billing delays, they must provide immediate notification to ensure that expenses are appropriately recognized within the current fiscal year. The attached instructions are provided to support a timely and efficient fiscal close, thereby ensuring the Postal Service fulfills its statutory reporting mandates with the Postal Regulatory Commission.

Cara M. Greene
Vice President, Controller

I. Instructions for FY 2026 Closing

We request that all organizations limit their expense and capital expenditures, particularly for Postal Service™ support equipment, to essential needs. Accordingly, all Vice Presidents (VP) must review discretionary spending to ensure the Postal Service attains its financial target for this FY.

The instruction and reporting dates in this *Postal Bulletin* supplement procedures followed during the normal monthly or quarterly reporting schedule.

II. Fiscal Year

The Postal Service prepares its annual reports on a government FY basis, which comprises 365 days (366 in leap years), always ending on September 30.

III. End-of-Year Processing Activities and Timelines, Requisitions, and Contract Actions

To ensure timely processing, please submit purchase requests, expense and capital requisitions, requests for contract awards, and contract modifications for FY 2026 to Supply Management for processing by the following dates:

Requisitions for Contract Actions (Other than IT and Telecom)

For FY 2026, please submit expense requisitions and requests for contract actions to Supply Management before August 31, 2026. Any requests received after this date may not be processed for award and delivery by September 30, 2026.

Requisitions for Contract Actions (Capital Purchases)

For FY 2026, please submit capital requisitions and requests for contract actions to Supply Management on or before September 8, 2026. Any requests received after this date may not be processed for award by September 30, 2026.

****Urgency and Prioritization of Peak Season Purchases****

In anticipation of peak season needs, please ensure requisitions are submitted timely with proper supporting documentation to avoid delays. Supplies and equipment used in the prior year's peak season and likely to be used again in the coming peak season must be adequately inventoried and stocked well ahead of time.

Requisitions for FY 2026 Contract Actions

For FY 2026, please submit expense and capital requisition requests for contract actions that require a start date before October 1, 2026, to Supply Management by August 31, 2026. Any requests received after this date may not be processed for award by the required start date.

Priority 2 — Expense commitment requisitions.

Accruals

Monthly accruals for Field and Headquarters (HQ) expenses will be processed as normal and as communicated to the Executive Leadership Team (ELT) and their Budget Coordinators.

2. Certified invoices for goods and services received by September 30 must be received by St. Louis ASC Satellite Office, no later than October 1, 2026.
3. If goods or services have been received as of September 30, 2026, but the vendor invoice has not been received, approved, and submitted to the St. Louis ASC and the St. Louis ASC Satellite Office for payment, these expenses will need to be accrued. Please contact your respective Budget Coordinators to complete the accrual. This process is critical to ensure we record our expenses in the right month and remain compliant with US GAAP.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal money orders.
2. Check that the proper security features are present:
 - For the legacy, green Postal Service money orders:
 - a. Green coloring at the top and bottom.
 - b. A U.S. Mail eagle logo in the center.
 - c. A left-side watermark of Benjamin Franklin repeating top to bottom that is only visible when held up to a light source.
 - d. On the right of the Benjamin Franklin watermark, a vertical, multicolored security thread with the letters “USPS®” weaves in and out of the paper.
 - e. Discoloration around the dollar amounts might indicate the amounts were changed.
 - For the new red and blue Postal Service money orders:
 - a. Red and blue ink with subtle design features of an eagle head and an American flag.
 - b. Two watermarks that are only visible when held up to a light source:
 1. A watermark of a Pony Express® rider.
 2. A watermark that reads “United States Postal Service” in a rectangular box.

- c. A security thread that runs from the top to the bottom of the Postal Service money order, just to the right of the Pony Express rider watermark. When held to the light, the thread reveals the letters “USPS” alternating right side up and upside down throughout the thread.
- d. A Quick Response (QR) code that directs users to the USPS website to verify the status of money orders using three pieces of information.
- e. Discoloration around the dollar amounts might indicate the amounts were changed.

These features also appear at usps.com/shop/money-orders.htm.

If you or a customer suspects fraud, follow the guidance from the U.S. Postal Inspection Service:

- If you question the validity of a Postal Money Order, use the Money Order Verification System at 1-866-459-7822.
- You can also check the money order status at usps.com/shop/money-orders.htm. Go to “Check Money Order Status” and input the information.
- If you suspect fraud or criminal activity, call the Inspection Service at 1-877-876-2455 at your earliest convenience.

The legacy, green Postal Service money order will stay in circulation until all existing stock is depleted. As of October 1, 2024, USPS no longer sells international money orders. USPS will no longer cash international money orders after September 30, 2025.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

We list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). Information Security

Protect Yourself From Malicious QR Codes

QR codes offer a fast and convenient way to access websites, applications, payments, and other online services. However, cybercriminals increasingly use them in phishing attacks to direct users to fraudulent websites that steal credentials, collect sensitive information, or install malicious software.

Unlike traditional links, QR codes conceal the destination website until they're scanned, making it harder to identify suspicious sites. Malicious QR codes may be distributed through emails, text messages, social media, printed materials, or by placing stickers over legitimate QR codes in public locations.

If you use your USPS® mobile device to scan QR codes, always pause and verify before proceeding. One scan could expose personal information, login credentials, or sensitive Postal Service™ data.

To help protect Postal Service information, follow these CyberSafe at USPS® tips:

- Scan QR codes from trusted sources only.
- Preview the website address before opening the link, if your device allows it.
- Avoid sharing your USPS credentials if a login screen or password prompt appear.
- Look for stickers or labels that may've been placed over legitimate codes.
- Report suspicious QR codes or websites through established cybersecurity reporting procedures.

For more information about additional security best practices and resources, go to the CyberSafe at USPS Blue page at blue.usps.gov/cyber/.

Stamp Announcement 26-33: U.S. Coast Guard Academy Stamp

© 2026 USPS

On September 12, 2026, in New London, CT, the United States Postal Service® will issue the *U.S. Coast Guard Academy* stamp (Forever® priced at the First-Class Mail® rate), in one design, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 489100). This stamp will go on sale nationwide September 12, 2026, and must not be sold or canceled before the first-day-of-issue.

USPS continues its tradition of honoring American military academies with a stamp commemorating the 150th anniversary of the United States Coast Guard Academy. The stamp art features photographs of the Barque *Eagle*, the Coast Guard Academy's primary training vessel since 1946, and USCGC *Bertholf*, a Legend-class National Security Cutter whose missions include maritime drug interdiction and securing the maritime border. Art director Antonio Alcalá designed this stamp with photographs courtesy of the U.S. Coast Guard.

Availability to Post Offices: Item 489100, U.S. Coast Guard Academy (Forever Priced at the First-Class Mail Rate) Pane of 20 Stamps

Stamp Fulfillment Services will make an automatic push distribution to Post Offices of a quantity to cover approximately 30 days of sales. Distribution quantities for the automatic push distribution will be available by logging on to SFS Web at sfsweb.usps.gov. Post Offices may begin ordering stamps before the first-day-of-issue through SFS Web; offices must also check the amount they will receive on their automatic push distribution.

Special Dedication Postmarks

Only the following pictorial postmark is permitted for the *U.S. Coast Guard Academy* stamp. The word "Station" or the abbreviation "STA" is required somewhere in the design because it will be a temporary station. Use of any image other than the following special pictorial image is prohibited.

Guidelines for Finalizing U.S. Coast Guard Academy Stamp Pictorial Postmark Art

To finalize the *U.S. Coast Guard Academy* stamp pictorial postmark art, insert the date, city, state, and ZIP Code™ of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches (horizontally) by 2 inches (vertically). Collectors prefer the dimensions 3-1/2 inches by 1 inch.

The Postal Service™ must make all special postmarks known to collectors through advance publicity in the *Postal Bulletin*. Therefore, all special dedication cancellations must be reported to Stamp Services 4 weeks before the event using PS Form 413, *Pictorial Postmark Announcement/Report*. To get a copy of the form, go to blue.usps.gov/formgmt/forms/ps413.pdf.

How to Order the First-Day-of-Issue Postmark

The first-day-of-issue postmark is a postmark notating the day a stamp is first authorized for use by the Postal Service. Customers have 120 days to obtain the first-day-of-issue postmark by mail. All requests for first-day-of-issue postmarks (Traditional or Digital Color Postmark) must be sent to the following address with the choice of Traditional or Digital Color Postmark identified. All orders must be postmarked by January 12, 2027.

Traditional Black and White Postmarks

Customers may purchase new stamps at their local Post Office™ or at The Postal Store® website at store.usps.com/store/home. They must affix the stamps to envelopes of their choice, address envelopes (to themselves or others), and place them in a larger envelope and mail to the above address.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark up to a quantity of 50. There is a 5-cent charge for each additional postmark over 50.

Customers can also submit collectable paper items or memorabilia of their choice for a black and white cancellation provided that such items bear unused, corresponding postage stamps equal to or greater than the applicable First-Class Mail rate. The request must include packaging large enough to accommodate their canceled items along with sufficient postage affixed for the return of their postmarked item.

If the canceled item is not mailable by First-Class, and return packaging with postage is not provided, the order must include a way to contact the customer for payment. Payment for quantities greater than 50 cancels and/or postage for shipping must be submitted by check, money order, or credit card.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Digital color postmarks can only be affixed to paper products. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of non-specified envelopes results in poor image quality or damage to equipment.

Customers must affix the corresponding stamps (unused and equal to or greater than the applicable First-Class rate) to the envelopes and address them to themselves or others for return through the mail. Or they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

How to Order First-Day Covers

The Postal Service also offers first-day covers for new stamp issues and Postal Service stationery items postmarked with the official first-day-of-issue cancellation. Each item has an individual catalog number and is offered in the *USA Philatelic* catalog and online at store.usps.com/store/home. Stamp Announcement 26-34: Winter Wreath Stamp

© 2026 USPS

On September 18, 2026, in Humble, TX, the United States Postal Service® will issue the *Winter Wreath* Global Forever® International rate stamp, in one design, in a pressure-sensitive adhesive (PSA) pane of 10 stamps (Item 582600). This stamp will go on sale nationwide September 18, 2026, and must not be sold or canceled before the first-day-of-issue.

Intended for international mail, this Global stamp features a snowy, decorated wreath. This stamp can be used to mail a 1-ounce letter to any country to which First-Class Mail International® service is available. As with all Global stamps, this stamp will have a postage value equivalent to the price of the single-piece First-Class Mail International 1-ounce machineable letter in effect at the time of use. The wreath was created from artificial branches and craft-store materials by photographer Natalia Kostikova. Greg Breeding served as art director.

Availability to Post Offices: Item 582600, Winter Wreath (Global Forever priced at the First-Class International Mail Rate) Pane of 10 Stamps

Stamp Fulfillment Services will not make an automatic push distribution to Post Offices. Post Offices may begin ordering stamps before the first-day-of-issue through SFS Web.

How to Order the First-Day-of-Issue Postmark

The first-day-of-issue postmark is a postmark notating the day a stamp is first authorized for use by the Postal Service™. Customers have 120 days to obtain the first-day-of-issue postmark by mail. All requests for first-day-of-issue postmarks (Traditional or Digital Color Postmark) must be sent to the following address with the choice of

Traditional or Digital Color Postmark identified. All orders must be postmarked by January 18, 2027.

Traditional Black and White Postmarks

Customers may purchase new stamps at their local Post Office™ or at The Postal Store® website at store.usps.com/store/home. They must affix the stamps to envelopes of their choice, address envelopes (to themselves or others), and place them in a larger envelope and mail to the above address.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark up to a quantity of 50. There is a 5-cent charge for each additional postmark over 50.

Customers can also submit collectable paper items or memorabilia of their choice for a black and white cancellation provided that such items bear unused, corresponding postage stamps equal to or greater than the applicable First-Class Mail rate. The request must include packaging large enough to accommodate their canceled items along with sufficient postage affixed for the return of their postmarked item.

If the canceled item is not mailable by First-Class, and return packaging with postage is not provided, the order must include a way to contact the customer for payment. Payment for quantities greater than 50 cancels and/or postage for shipping must be submitted by check, money order, or credit card.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Digital color postmarks can only be affixed to paper products. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of non-specified envelopes results in poor image quality or damage to equipment.

Customers must affix the corresponding stamps (unused and equal to or greater than the applicable First-Class rate) to the envelopes and address them to themselves or others for return through the mail. Or they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

How to Order First-Day Covers

The Postal Service also offers first-day covers for new stamp issues and Postal Service stationery items postmarked with the official first-day-of-issue cancellation. Each item has an individual catalog number and is offered in the *USA Philatelic* catalog and online at store.usps.com/store/home. Customers may register to receive a free *USA Philatelic* catalog online at usps.com/philatelic.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may get the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to get the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days after the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers who want a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.
